COMMUNITY CAMPAIGN

Give. Grow. Empower.

OUR MISSION is to demonstrate the love of Christ by providing those in need with gently used furniture and household items.

A comfortable home provides dignity, security and a better environment in which to raise a family. With your help, we can continue to collect and distribute gently used furniture to our community free of charge.

Each person who receives furniture is referred by a social service agency, school, church, or hospital. Prequalifying assures that we are serving those truly in need.

WHY THE FURNITURE MISSION

- **We are a mission** working closely with other ministries and agencies who refer individuals and families to us.
- **We are a mission** comprised of mostly volunteers who carry out the day-to-day operations of pick-up/delivery, necessary cleaning/repair, warehouse organization and clerical work.
- **We are a mission** of ministry. Each household receiving furniture also receives a copy of the Holy Bible along with information about study groups and an invitation to attend.
- **We are a mission** that serves Christ and blessed by a very loving Lord. If we can serve Him by serving others then we are doing His will and we will be blessed many times over.
- **We are a mission** with a Board of Directors who volunteer their time and expertise to assure the mission stays true to its calling to be an effective, efficient and accountable organization.

WHY THE NEW BUILDING AT THE EMPOWER CAMPUS

- The new building at the Empower Campus puts us right on 10th street for **more awareness** of our mission.
- A larger facility allows for us to be **more organized** in those we serve instead of shuffling things between two buildings.
- We are able to **expand important areas** of mentoring and volunteering in our wood shop and quilting areas.
- We are able to **expand our reach** to clients in need.
- We are able to help our clients further with the **support of other nonprofits** on the Empower Campus.
