Furniture Mission of South Dakota

Our mission is to demonstrate the love of Christ by providing those in need with gently used furniture and household items.

A comfortable home provides dignity, security, and a better environment in which to raise a family. With your help, we can continue to collect and distribute gently used furniture to our community free of charge.

Each person who receives furniture is referred by a social service agency, school, church, or hospital. Prequalifying assures we are serving those truly in need.
